TENTH ANNUAL SHARATHONS BEST EVER

Thanks to Queens AA members their 2001 Sharathons at the QIAA office were our best attended so far. **1792** people attended the Thanksgiving Sharathon meetings and **3981** people were at the year-end Holiday meetings, a total of **5773** AA members showing what it is to be joyous, free and grateful.

We at QIAA are especially grateful to the AA Groups who took the six hour commitments during that time. We would also like to thank the groups who attended the Sharathon organization meetings but were unable to get a commitment. As always we try to be fair and we will be asking for input from the Queens Groups before next year's organization meetings.

A special thanks to **Frank R.** who as usual plunged right in - also to **Chris K.**, and to **Bob C.** who does all the counting.

GROUND ZERO MEETINGS END

The AA Meetings at Ground Zero ended December 1. Thanks to SENY and NY Intergroup for having QIAA participate. And thanks to the Queens AA members who participated. Again we had more volunteers than commitments. We are responsible.
